

# Newsletter

Creative Optimistic Visions

April 2018

## WELCOME TO OUR SPRING

**NEWSLETTER.** We hope you all enjoyed your Easter break.

## ENGAGEMENT GROUPS

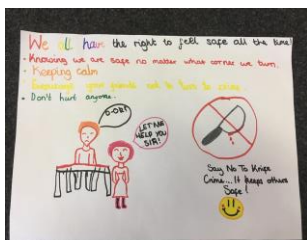

As we mentioned in our previous newsletter, our Urban Arts students were visiting Media Mania studio to record the lyrics they had written. The results were amazing and they would like to share their recordings with you. [Listen here.](#)

## KNIFE CRIME

We have been working in partnership with Positive Youth Foundation to deliver a knife crime workshop to local schools. We have engaged with over 80 young people to educate them on the issues of knife crime.

## HEART OF ENGLAND

Many thanks to Heart of England! Jumping Through has provided funding for us to deliver our Confident Me project to a further 16 learners over two courses. Our first will be taking place in June, running in partnership with Valley House. Please [get in touch](#) for further info.

## PROTECTIVE BEHAVIOURS TRAINING

Our Protective Behaviours Foundation Level Courses are accredited by Open College Network West Midlands.

We have a course running on 21<sup>st</sup> and 22<sup>nd</sup> May with a few individual places still available and some spaces reserved by Coventry Youth Partnership. If you are a member of CYP then please do get in touch to reserve your space. You can view all course-training dates [here](#)

## AWARD WINNING SERVICES!

Creative Optimistic Visions won Protective Behaviours Centre of the year (2017) and Protective Behaviours Trainer of the year (2017)

## YOUTH CLUBS

Stoke Park Youth Club continues to be very popular. Our young people enjoy activities such as football, pool, art and boxing, as well as having the opportunity to socialise with their friends. We have also done some great display work for the center. If you know anyone who may be interested in coming along, sessions take place on a Wednesday evening from 6pm-8pm
